Thank you for your generous support

Thank you for your support of the Anchorage Folk Festival.

With your generous help, the 2010 Folk Festival was a great success! Individual donations in the form of memberships are essential to continue the Festival's celebration of acoustic traditional music and related folk arts. Additionally, commercial contributions from our partners, patrons, and sponsors demonstrate community commitment. And let's not forget our many volunteers! We can't do it without you!

John Whelan

AFF is excited to announce that John Whelan will be our guest artist for the opening weekend of the 2011 festival. John is an accordion-player extraordinaire. He has performed with Riverdance and Eilen Ivers and at folk festivals throughout the US and Europe. Named "Traditionalist of the Year" by Irish Echo magazine, John brings passion and playfulness to celtic music.
