

The Anchorage Folk Festival is a nonprofit organization that conducts an annual folk festival and much more! It is open to the public and you are free to come and go. We provide opportunities for you to perform, attend workshops, attend jam sessions or just enjoy the festival *at absolutely no charge*. This event doesn't just happen-it requires hall rental, guests artists fees, transportation, insurance, sound engineering, etc. We are here to support, encourage and promote music and dance through performance and education. We also sponsor, workshops, dances, folk-week concerts and a summer music camp. So how do we make ends meet?
